Finding a Breakthrough! Dr. Pamela Moss' Newly Released Bestseller Shares How To Remove Limiting Blocks!

Dallas, Texas, November 15, 2018 – Former Ivy League academic Dr. Pamela Moss has now released her international bestseller, *The Soul Guide to a Magical Life: How to Remove Your Blocks to Your Greatest Calling*, to help people find their “greatest calling.” The bestseller introduces a highly innovative three-stage method to eliminate limiting factors and create sustainable success in all areas of life. Dr. Moss is a highly coveted expert in personal transformation, and introduces her Soul Alignment System for transformation in this new book. She has helped people around the globe with her innovative methods and bona fide techniques. Her new book is intended to share her powerful tools and unique teachings with a larger demographic.

The Soul Guide to a Magical Life is a breakthrough book that can help readers unlock their full potential, rise above challenges and find their true purpose and meaning in life. Dividing her unique message into four stages in the book, Dr. Moss gives her readers a comprehensive and easy-to-follow manual for progress. Helping readers recognize their calling during the first stage, she provides developmental exercises and transformative tools in the next stages. Her tools help readers apply the book’s teachings to real life scenarios and find tangible solutions to their blocks. For people who might be changing careers, wanting to take their work and life to the next level, or just looking for their true passion in life, Dr. Moss can become their guide through this book and help them find their “divine mission.”

Dr. Pamela Moss is a coveted author, a former Ivy League academic and a “Soul Guide” who helps people live their purpose. Not only does she help people around the world, she is also proactive about helping other professionals in her field. She regularly collaborates with coaches, healers, therapists, creatives and visionaries to create inventive projects. Calling them “light workers,” Dr. Moss is passionate about her mission to “light up the lights.” Her unique purpose in life is to help people start a transformative journey and accomplish new milestones to make a bigger difference.

Dr. Moss earned her PhD in Philosophy of Education from Cornell University, where she received the prestigious A.D. White University Fellowship and co-authored an ethics textbook. She is now on a unique mission to bring people together to transform the world into a better place.
